Ramadan: Month of the Qur'an and Ehsan

Allah ﷻ has said, The month of "Ramadan is that, in which Qur'an was revealed" ...[Al Baqarah:185]

The advent of the blessed month of Ramadan is the best opportunity to strengthen the bond with the Qur'an and a golden opportunity to reform personal and public affairs. For this purpose one should follow the following routine:

Recitation of the Qur'an: Increase the recitation of the Qur'an as compared to other days.

Ponder and reflect on the Qur'an: Pondering and reflecting in the verses of the Qur'an is a means of seeking great reward, hence dedicate some time everyday for this.

Invite towards the Qur'an: Invite your family and friends to learn the Qur'an. Try to perform all types of worships at the level of excellence. Benefit others with utmost compassion from the abilities and wealth which Allah swt has given you.

Dear Readers Assalamoalaikum wa rahmatullahi wa barakatuhu

Respected Dr. Farhat Hashmi's beloved mother and our most honorable, compassionate, humble and an intelligent senior student of Al-Huda, whom we all know as 'Naani Amma', left us. She had spent her life in the obedience of Allah and she practically proved the same obedience while bidding farewell to this world. She was an exemplary woman. Our dear colleague Kauser Faiz has beautifully penned down Naani Amma's life in a book, titled 'Naani Amma'. To lose one's loving mother is a painful experience but our dear Farhat Hashmi has once again set a practical example for us by bearing this sad moment with patience and expressing her submission to Allah ﷻ Will by saying 'We are content with the Decree of Allah ﷻ. This is the sign of a believer and the way of the righteous. It is Allah's blessing that once again we are availing the blessings and mercy of the blessed month of Ramadan. As before this time, arrangements have been made for dawra Qur'an at different locations within and abroad. It is our earnest dua that we all benefit from it as much as possible and seek the pleasure of Allah ﷻ Ameen. From the blessings of Allah ﷻ under the umbrella of Al-Huda International, different Qur'an completion ceremonies were held within the country and abroad and new courses were announced at many places. Alhamdulillah Qur'an is reaching in every hand in every heart Your feedback is very important for us.

Reflections of the renowned journalist, Shah Bano Mir, regarding AL Huda.

I used to listen to respected Dr. Farhat Hashmi in the month of Ramadan. I was so keen on meeting my Usthada and visiting Al-Huda that I would cry a lot and earnestly supplicate for it. Eventually, Allah honored me by accepting my dua. My yearning desire to sit in front of Dr. Farhat Hashmi as a student was soon fulfilled. In a spacious hall many students were sitting, learning the knowledge of the Deen with great tranquility, wearing white and blue colored scarfs. The high standard of education was evident of the fact that it would change the course of direction of the lives of those receiving this knowledge. The students would share their thoughts and reflection with great confidence during the lesson. Seeing this I got a profound impression that these sessions helped in ingraining confidence in their personalities. Here the teachers are striving to nurture and train future teachers. I really liked the effort of improving student's confidence and self-esteem in Sahih Bukhari's class. By visiting Al-Huda today, I realized that the reason why our nation, despite being amongst such great storms and problems, is still able to firmly face the enemies. It became evident that the peaceful endeavors made by management for the Deen were adding to the strength of the nation. In sha Allah this religion, this ummah, this nation and this country will never face downfall as long as the message of Allah ﷻ and His messenger keeps echoing with sincerity. One of the main reasons for the success of Al-Huda is its resilient management team which comprises of experienced and competent women. The love that they have for this institution is evident from their determination. Each part of our country needs well integrated training institutions like this one for women. One needs to search for words that can encompass the eminence of Usthaza's personality and express her services for this Deen. The search is on.....

Ways to Success...In the light of Surah Al- Aala

The best recipe for success in this life and ease in all difficulties.

♦ Excessive Remembrance of Allah ﷻ

We need to perform Salah with extreme humility and self- mortification. And we need to contemplate on the signs of Allah ﷻ to do tasbeeh, to recite and memorize Qur'an and understand the meaning of the verses, to set a schedule to daily recite Qur'an and do tasbeeh. Because of these acts, Allah ﷻ will ease the difficulties of this life and save us from the punishment of hell. Tasbeehat are the reason that the creation gets Rizq. The words we use to glorify Allah ﷻ revolve around the throne of Allah ﷻ and they mention the name of the person enunciating them to Allah ﷻ. It is cure for the suffocation and constriction of the heart. Glorification of Allah ﷻ is a type of Sadaqa. If we do tasbeeh while performing our daily chores, while travelling, after Salah, at bedtime, while waking up in the middle of the night, at the sound of thunder, our affairs will become easy for us.

♦ Adopting Taqwa

To guarantee success in the dunya and the hereafter one needs to leave sins due to the fear of Allah and purify ones Nafs.

♦ To become beneficial for the people

This can be done by spending out of one's money, strength, knowledge and abilities on to other people, which will inturn create ease. This will be instrumental in creating ease for us in duniya and hereafter.

♦ Dealing with people

Good character will be very heavy on the scales on the Day of Qiyamah.

♦ Supplication

Supplicate to Allah ﷻ for success and ease in all affairs. Especially the invocation.

رَبِّ اشْرَحْ لِي صَدْرِي وَيَسِّرْ لِي أَمْرِي

"O my Lord! Open for me my chest and ease my task for me". [Al-Qur'an: Ta Ha].

اللَّهُمَّ لَا سَهْلَ إِلَّا مَا جَعَلْتَهُ سَهْلًا وَأَنْتَ تَجْعَلُ الْحَزْنَ سَهْلًا إِذَا شِئْتَ

♦ O Allah ﷻ there is nothing made easy except what you make easy, and You make the difficulty easy, if You wish."

♦ Making intentions pure for the sake of Allah ﷻ

The intention while pursuing any matter should be to please Allah ﷻ

Alas! The Time of Departure has Come

Ustadha's Mother's Last Journey

Respected Dr. Farhat Hashmi's Mother was intensely inclined towards deen and till the last moments of her life she was busy in seeking the knowledge of Islam. Apart from performing her regular acts of worship, she would daily come to Al-Huda and attend classes there. On Wednesday, four days before her death, she came to Al-Huda and attended Taleem-ul-Qur'an and Bukhari Sharif course. At that time we could not have even imagined that she would be departing from us so soon. On Thursday while performing the Ishraq prayers, she felt some pain and was rushed to the hospital. She stayed in the hospital and received treatment for four days. On Monday, 19 February, Ustadha scheduled the Bukhari class at 10am in the morning. It has hardly ever happened that Ustadha has changed the time of her class from the scheduled time to some other time. Those who love to seek knowledge of the deen and strive to do good deeds, Allah ﷻ aligns events and situations according to their circumstances. Her mother was under treatment in ICU at the hospital. At 11 A.M the class finished and Ustadha went to the hospital to meet her. Soon after that her mother embarked on her eternal journey from this duniya. All the funeral preparations were made according to Sunnah. After the ghusal and shrouding, Ustadha's Mother's janaza was kept in a spacious area in the institute. Seating arrangements were made for women who came to attend the funeral in the TQ-2 hall. The funeral prayers were organized for men in the Al-Huda Masjid and in the hall for women. After the Maghrib salah, the Funeral prayer was offered. The next day, after the Bukhari class, respected Ustadha gave a special lecture to the students regarding the rituals and rites that should be performed when someone dies. Respected Ustadha conducted the class with great sabar and composure despite intense grief. Arrangements were made in TQ-2 hall for accommodating guests who came for condolence for the next three days. Ustadha would meet these guests after her classes.

Abu Huraira narrated that Messenger of Allah ﷺ said:

“When a human being dies, all of his deeds are terminated except for three types: an ongoing sadaqah, a knowledge (of Islam) from which others benefit, and a righteous child who makes du'a for him”.

[Sahih Muslim 4223]
